

Indianapolis *Gregory A. Ballard, Mayor*
REBUILDINDY
 Department of Public Works

82ND STREET WIDENING AND IMPROVEMENT:

PHASE 1: HAGUE ROAD TO LANTERN ROAD -- PHASE 2: LANTERN ROAD TO FALL CREEK ROAD

RebuildIndy is Mayor Greg Ballard's initiative to restore deteriorating thoroughfares, residential streets, sidewalks and bridges as well as to address neighborhood drainage and flooding issues. This investment continues to transform neighborhoods throughout Indianapolis.

These projects create local jobs and increase public safety for neighborhoods and residents, which supports Mayor Ballard's commitment to make Indianapolis a more livable city.

PROJECT SCOPE

The Department of Public Works (DPW) has an infrastructure improvement project planned for the northeast side of Indianapolis. The 82nd Street Improvement Project is a phased project and will improve commuter and pedestrian safety from Hague Road to Fall Creek Road. The infrastructure improvements include street resurfacing, the addition and repair of sidewalks and curbs, new travel lanes, ADA-compliant access ramps, drainage repairs and bridge maintenance.
